**LES MILLS BODYPUMP** – The original barbell workout that *strengthens and tones your entire body!* This 60-minute program challenges all your major muscle groups by using the **BEST WEIGHT ROOM EXERCISES** like squats, presses, lifts and curls. Great music, awesome instructors, and your choice of weight inspire you to get the results you came for, and fast! This is a low impact, medium to high intensity workout that incorporates periodization techniques to avoid training plateaus. It is recommended participants be at least 16 years of age. **WARNING!** Members should not combine **BODYPUMP** or other sculpting/weight bearing exercises on consecutive days. It is recommended to wait at least 48 hours between these types of classes to allow for adequate muscle repair and recovery and prevent injuries.

**LES MILLS BODYFLOW** - the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

**3, 2, 1 FIT** is a high intensity and endurance based 30 minute workout. Utilizing a 3-2-1 interval approach: 3 minutes of strength, 2 minutes of cardio, 1 minute of abs you will shed fat, define muscle, transform the look of your entire physique, and dramatically enhance your overall health and athletic performance.

**LES MILLS CXWORX** Revolutionary CORE TRAINING! This class really hones in on the torso and sling muscles that connect your upper body to your lower body. It's ideal for tightening your tummy and butt, while also improving functional strength and assisting in injury prevention. It'll help you run faster ... play harder ... stand stronger!

**Cardio EXP** – 30 minute, low impact cardiovascular workout that will leave you fizzing with energy and ready to take on life!

**SilverSneakers** The signature SilverSneakers classes are designed specifically to help Medicare eligible individuals (65 and older) improve overall fitness. All classes are lead by certified instructors and are appropriate for all fitness levels.
